(insert the policy number. The remainder of the information is to be completed only when this endorsement is issued subsequent to the preparation of the policy.)

**LIVESTOCK MORTALITY POLICY
ACCIDENT, ILLNESS, DISEASE INFERTILITY ENDORSEMENT**

This endorsement extends your Livestock Mortality Policy as shown below. All other terms and conditions of your policy stay the same. If any terms and conditions of this form vary from those in your policy, this form shall apply.

1. Additional Coverage

This policy covers (insert description of animal) if during the policy period it becomes permanently impotent; infertile; or incapable of serving mares. This incapacity must result from an accident, illness or disease which occurs after the effective date of this endorsement.

2. Amount of Coverage

The additional coverage is \$

3. Additional Premium

For the additional coverage provided by this endorsement you must pay an additional premium of \$ (.50% INCL). This amount is not subject to the policy's refund provisions and will not be returned to you if you cancel the policy.

4. General Conditions

- a. We must receive a satisfactory Fertility Examination Certificate before this coverage can begin.
- b. This endorsement will not apply if the Animal dies.
- c. If there is a dispute about a claim under this endorsement, the veterinarians involved will send their diagnosis to a College of Veterinary Medicine accredited by the A.V.M.A. Council of Education. The College will make the final decision as to the cause of the Animal's impotency, infertility or its being rendered incapable of serving mares.

0383416

If a claim we pay under this endorsement equals the Animal's total coverage amount under the policy, we may choose to become the Animal's owner.

- e. If we pay a claim under this endorsement the Animal will automatically be ineligible for mortality coverage and will be removed from the policy with all premiums being fully earned.
