TWELVE MONTH EXTENSION

It is hereby understood and agreed that the section of the Policy "Property Covered and Amount Insured" is amended to read as follows:

The company agrees to the extent and in the manner hereinafter provided, that in the event of the death during the period of this insurance of any animal specified in the schedule (or, for insurances with an annual period only, in the event of the death of any such animal occurring within twelve months after the expiry of this insurance as a result of any accident occurring, or illness, or disease manifesting itself, during the currency hereof, and subject to written notice or such accident, illness, or disease having been given to the Company before the expiration of this insurance) the Company will indemnify the Insured in respect to the actual value of such animal at the time of the accident (or the manifestation of the disease or illness) causing its death, up to but not exceeding the limit of the Company's liability specified in the schedule in respect of such animal.

It is furthermore understood and agreed that this amendment applies to Full Mortality coverage only and to horses age 14 years or less.
